Experience

Nexthink

Remote

MANAGER, MARKETING WEB DEVELOPMENT

October 2021 – Present

- Oversaw the migration of a WordPress site to Next.js and GraphQL, resulting in a remarkable 75% improvement in page loading speed, enhanced SEO scores, and better web accessibility.
- Directed a team of three developers in the development and management of mission-critical marketing websites for a prominent corporation, maintaining an exceptional 99.9% uptime record through meticulous oversight and proactive troubleshooting.
- Demonstrated adept leadership skills by mentoring team members, fostering a collaborative environment that encouraged innovation, skill development, and excellence in web development initiatives, while consistently delivering high-quality results.
- Orchestrated the recruitment and hiring process, conducting interviews and assessments to onboard global talent, ensuring the team remained equipped with the requisite skills and expertise to excel in their roles.
- Cultivated strong communication channels with managers and stakeholders, providing regular updates on project progress, milestones, monthly newsletters, and strategic direction - building transparency and alignment across the departments.

Eastern Research Group

Lexington, MA

WEB DEVELOPER

May 2018 – October 2021

- Screened applications, interviewed, and assisted with selecting junior developers to be hired as part of our development team
- Trained junior developers in our processes and technologies and supported them as needed through their first few months
- Created an internal browser extension for the CDC to automate the process of reporting fraudulent COVID-19 preventative products on online marketplaces including Amazon and eBay
- Rebuilt the home page of a government waste management website to reduce page load times by 80% and improved SEO to increase site traffic from 1,000 monthly users to consistently over 20,000
- Achieved 100% test coverage and full WCAG accessibility compliance on a flagship EPA React application

Bridgewater State University

Bridgewater, MA
